

From Anecdote to Antidote

Medical Musings and Practical Prescriptions from a Humanitarian Healer

by Richard S. Klein, M.D.

Dr. Klein's experiences and his knack for solving medical mysteries aren't just fun to read, they inspire readers to listen to their bodies and trust their instincts, two keys to remaining healthy and happy.

Robert F. Kennedy, Jr.

*Doctor, Soldier, Politician, Knight, Humanitarian...
listen to the wisdom of this compassionate caregiver.*

The doctor/patient relationship needs to be redefined for the modern era, and Dr. Richard Klein does just that with *From Anecdote to Antidote*. Demonstrating that the best way to receive effective healthcare is by forging a genuine connection with your physician, *From Anecdote to Antidote* combines compelling stories with practical knowledge and an analysis of the problems plaguing modern medicine. Through it all, he offers enough laughs, tears, and common sense to make *From Anecdote to Antidote* both an enjoyable read and a comprehensive effort at re-training doctors and patients to acknowledge each other's humanity.

"Funny, warm, and smart, this volume can help your physical and mental states - and make you laugh at the same time.

-Mark Green Author, The Consumer Bible/President, Air America Radio network

"Dr. Richard Klein...demystifies the medical profession while at the same time instilling confidence in the patients of a concerned and competent doctor that the odds are on their side."

-Andrew Spano, Westchester County Executive

"...You have always truly cared."

-Alfred B. DeBello, former Westchester County Executive and Lieutenant Governor of NY

"Dr. Richard Klein expresses the rare combination of science and humanity in his approach to patient care."

-Stephen A. Berger, M.D., Director, Geographic Medicine, Tel Aviv Medical Center Associate Professor, Tel Aviv University, Tel Aviv, Israel

Dr. Richard Klein's mission is to bridge the gap from illness to wellness on an unhealthy planet, one patient at a time. From his time as a military corpsman to his humanitarian work with the disadvantaged around the globe, Dr. Klein has made it his life's mission to bring care and understanding to his fellow man. It is this level of dedication that has earned him official recognition from the Israeli and Egyptian governments, a knighthood from Italy, and the love and respect of countless patients around the world.
